Motor Carriers—Continued
Parties. Prime contractor is a proper supporting shipper for applications 510
Passengers. Broker applications approved despite close corporate connections between applicants and underlying carriers 509
Contract carrier service over regular and irregular routes .. 509
Elements of public convenience and necessity should properly be shown by the need for passenger service, not on showing need for increased availability of express service or other incidental transportation 180
Operations found to be intrastate commerce in the absence of evidence of through tickets or other common arrangements with connecting out-of-State carriers 59
Quality of charter-bus equipment is a proper factor in determining the adequacy of existing charter service 180
Special operations v. ordinary bus service 596
Private Carriers. "Affiliated Entities and Private Carriage," by Stanley Hoffman 583
Private Roads. Operation by a for-hire carrier from a point in Pennsylvania, over private roads, to a point in Ohio, and thence over public highways to other Ohio points is interstate commerce subject to the Commission's regulations 58
Rates as elements of public convenience and necessity 58
Registration of State Certificates. Transportation of Mail 60
Restrictions in Certificates. "To Traffic Moving to or from Points East of the Texas-Louisiana State Line." 976
Routes. Conversion from irregular to regular 812
Single-State Operation. Certificate of registration provides holder to operate solely within a single State 811
State Commissions, findings by, public convenience and necessity requires the operation by a single State Carrier intrastate and interstate commerce 810
Twenty-Vehicle Rule replaced upon amendment of Section 5 (10) of Interstate Commerce Act 58
Viewpoint "Coordination Among Modes of Transportation," panel discussion 45
